

Licensing

Students

Non-commercial/non-profit use of images, slides and animations is allowed and does not require any additional permission or license. However, Primal Pictures Ltd must always be credited as the source of the images as we maintain the intellectual property rights and copyright to the material.

Please ensure we are credited as follows:

3D anatomy images copyright of Primal Pictures Ltd
www.primalpictures.com

Non-commercial/non-profit use includes:

- Private educational use
- Course work
- Using images in PowerPoint presentations (when not for sale)
- Posters at events

Public domain and commercial/for profit use requires written permission from Primal Pictures Ltd, a formal license agreement covering the specific use of images and a license fee (negotiated on a per project fee). These include:

- Websites
- Books
- Videos
- TV programmes
- Journal articles
- Use in medical devices

Please contact Catriona Kerr, Associate Director of Sales and Marketing, with details of your intended use: Catriona@primalpictures.com
